answer, and show you how to ensure you focus on the heart of the question\* Recognize and recall: user-friendly layout ensures that it is easy to find key information, and diagram answer plans help you visualize how to plan and structure your answers\* Aim high: avoid common mistakes, use the further reading suggestions to help you take things further and demonstrate your understanding of key academic debates to really impress\* Don't just rely on the exam to pick up your marks: a unique coursework skills chapter offers advice on researching, referencing and critical analysis - not available in any other QandA seriesThis study guide is also accompanied by a wealth of online extras at a href =["http://global.oup.com/uk/orc/law/qanda/"](http://global.oup.com/uk/orc/law/qanda/)www.oxfordtextbooks.co.uk/orc/qanda//a which include:\* Additional essay and problem questions for you to practise your technique. Questions are annotated, highlighting key terms and legal issues to help you plan your own answers. An indication of what your answers should cover is also provided.\* Video guidance on how to put an answer plan together\* Online versions of all the diagram answer plans from the book\* A glossary of key terms\* Podcasts from expert examiners on revision and exam technique, coursework technique, and advice on how to tackle other assessment methods such as MCQs and presentationsEU Law Concentrate is a high quality revision guide which covers the key topics found in undergraduate courses. The clear, succinct coverage of policy and law-making procedures of the EU and key case law enables students to quickly grasp the fundamental principles of EU law. Written by Sylvia Hargreaves, an experienced teacher and examiner, the book focuses on the needs of students to pass their exams. A number of pedagogical features help with the preparation for exams and suggest ways to improve marks. Endorsed by students and lecturers for level of coverage, accuracy and exam advice. Online Resource Center Multiple choice questions Interactive flashcards Glossary Exam and revision guidanceInternational law is a social construct crafted by human endeavour to achieve or at least contribute to the achievement of goals perceived to be valuable or necessary to effective social relations. In effect, international law is no more than a facilitative process and so cannot have answers and conclusions of its own other than what lies within the ambitions of those who define the limits of the process. The essays collected together here reveal how international law facilitates the achievement of the long standing ambition of turning human rights ideals and rhetoric into reality.If you're serious about exam success, it's time to Concentrate!English Legal System Concentrate is the essential study and revision guide for law students looking for extra marks. These two revision and study guides have been packaged together to offer great value for students looking to get the most out of their revision. International Law Concentrate is the essential revision and study guide for law students looking to consolidate knowledge and achieve the best possible marks in their exams. Providing clear, succinct coverage of the key topics, it enables you to quickly grasp the fundamental principles of this area of law and excel in exams. Q&A International Law offers expert advice on what to expect from your exam, how best to prepare, and guidance on what examiners are really looking for, including advice on structuring a first class answer, avoiding common exam mistakes and making your answer stand out from the crowd.

De euro had de landen van Europa dichter bij elkaar moeten brengen en voorspoed moeten brengen. Het tegenovergestelde is gebeurd. De crisis van 2008 bracht de feilen van de gezamenlijke munt aan het licht. De stilstand van Europa en haar slechte vooruitzichten zijn het resultaat van de fundamentele tekortkomingen van de eu: economische integratie zonder politieke eenwording, en een Europese structuur die de verschillen vergroot in plaats van verkleint. De vraag is dan ook: kan de euro worden gered? Joseph E. Stiglitz laat zien hoe ondoordacht het is dat de Europese Centrale Bank zich voornamelijk bezighoudt met het bestrijden van de inflatie en hij toont hoe bezuinigingen Europa hebben veroordeeld tot economische stilstand. Stiglitz schetst drie mogelijke toekomstscenario's. Het eerste behelst fundamentele veranderingen in de organisatie van de eurozone en in de maatregelen die de landen die het meest te lijden hebben krijgen opgelegd. Het tweede gaat uit van een doordacht uitgevoerde opheffing van de eu en het derde bestaat uit een totaal nieuw systeem dat uitgaat van een flexibele euro. Met brexit-nawoord!

Public Law Concentrate is written and designed to help you succeed. Accurate and reliable, Concentrate guides go above and beyond, not only consolidating your learning but focusing your revision and maximising your potential. English Legal System Concentrate is a high quality revision guide which covers the main topics found on undergraduate and GDL courses. students to succeed in their exams, showing how all the legal rules fit together and the approach that should be adopted when answering questions. A range of pedagogical features help with preparation for exams and suggest numerous ways to improve marks. English Legal System Concentrate provides succinct coverage of all key elements of the law, while also offering students further avenues of investigation, presenting key academic debates and other analytical features. OUP's Concentrate revision series is endorsed by students and lecturers for level of coverage, accuracy and exam advice. English Legal System Concentrate has been rigorously reviewed by law lecturers from a range of universities. English Legal System Concentrate is accompanied by a free, open-access Online Resource Center ([http://www.oxfordtextbooks.co.uk/orc/vollans\\_concentrate](http://www.oxfordtextbooks.co.uk/orc/vollans_concentrate)) which offers the following resources to support students: - Multiple choice questions which provide instant feedback - Interactive flashcards of key cases (the student is presented with a case and has to supply the principle, or vice versa) - Interactive version of glossary - Updates to case law and legislation - Further reading - Web links to key online sources - Advice on revision and exam technique authored by renowned textbook writer and experienced examiner Nigel Foster, Professor of Law and Deputy Vice-Chancellor of the University of Buckingham. 'International Law' is the essential study and revision guide for law students looking for extra marks. The clear, succinct coverage enables you to quickly grasp the fundamental principles of this area of law and helps you to succeed in exams. This book discusses how technological innovations have affected the resolution of disputes arising from electronic commerce in the European Union, UK and China. Online dispute resolution (ODR) is a form of alternative dispute resolution in which information technology is used to establish a process that is more effective and conducive to resolving the specific types of dispute for which it was created. This book focuses on out-of-court ODR and the resolution of disputes in the field of electronic commerce. It explores the potential of ODR in this specific e-commerce context and investigates whether the current use of ODR is in line with the principles of access to justice and procedural fairness. Moreover, it examines the major concerns surrounding the development of ODR, e.g. the extent to which electronic ADR agreements are recognized by national courts in cross-border e-commerce transactions, how procedural justice is ensured in ODR proceedings, and whether ODR outcomes can be effectively enforced. To this end, the book assesses the current and potential role of ODR in resolving e-commerce disputes, identifies the legal framework for and legal barriers to the development of ODR, and makes recommendations as to the direction in which practice and the current legal framework should evolve. In closing, the book draws on the latest legislation in the field of e-commerce law and dispute resolution in order to make recommendations for future ODR design, such as the EU Platform-to-Business Regulation on Promoting Fairness and Transparency for Business Users of Online Intermediation Services (2019) and the United Nations Convention on International Settlement Agreements Resulting from Mediation (2018), which provide the legal basis for ODR's future development. - The EU Law Concentrate is written and designed to help you succeed. Written by experts and covering all key topics, Concentrate guides help focus your revision and maximise your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases.
