"Thursday's Child," aka Peter Tobin – founding, drover, shearer, horse-breaker, soldier, and pastoralist – travelled far and wide throughout the Australian outback in the late nineteenth and early twentieth century. The legacy of his widely scattered seed is gathered up in this tale of fatal misunderstandings, murder, and altruism, spanning the years 1910 to 1974. Like the Peter Tobin memoir "Thursday's Child" that precedes it, the author gives a respectful nod to history pedants and reminds them this is a work of fiction.

Miranda An unwed mother in search of a place to call home, she finds her heart's desire in Springwater -- and in the arms of rancher Landry Kildare. Later, Joe has a visitor - the woman's teenage daughter, a runaway from boarding school. Apache Devil Edgar Rice Burroughs - A sequel to The War Chief, Shoz-Dijji, the Black Bear, has lost his love, Ish-kay-nay, to death, killed his mortal enemy, Juh, the Apache. He does not understand his attraction to the white woman, Wichita Billings, while he takes up the warpath as the Apache Devil. THE silver light of Klego-na-ay, the full moon, shone down from out the star-lit heavens of an Arizona night upon the camp of the Be-don-ko-he Apaches; shone upon sleek copper shoulders; shone upon high cheek bones; softened the cruel lines of swart, savage faces as inscrutable as is the face of Klego-na-ay herself. Shone the silver moonlight upon Nan-ta-do-tash, the izze- nantan of his people, as he led them in the dance, as he prayed for rain to save their parched crops. As he danced, Nan-ta-do-tash twirled his. tzi-ditindii about his head, twirled it rapidly from front to rear, producing the sound of a gust of rain-laden wind; and the warriors and the women, dancing with Nan-ta-do-tash, listened to the tzi- ditindii, saw the medicine man cast hoddent in to the four winds, and knew that these things would compel the wind and the rain to come to the aid of their crops.

A searingly powerful memoir about the impact of addiction on a family. In the summer of 2012 a woman named Eva was found dead in the London townhouse she shared with her husband, Hans K. Rausing. The couple had struggled with drug addiction for years, often under the glare of tabloid headlines. Now, writing with singular clarity and restraint, Hans' sister, the editor and publisher Sigrid Rausing, tries to make sense of what happened. In Mayhem, she asks the difficult questions those close to the world of addiction must face. "Who can help the addict, consumed by a shaming hunger, a need beyond control? There is no medicine: the drugs are the medicine. And who can help their families, so implicated in the self-destruction of the addict? Who can help when the very notion of 'help' becomes synonymous with an exercise of power: a familial police state: an end to freedom, in the addict's mind?" An eloquent and timely attempt to understand the conundrum of addiction—and a memoir as devastating as it is riveting.

The truth is their only escape. Nine people, seemingly strangers, are whisked from their everyday lives and thrown together in a maze of near-identical rooms and random artifacts. As they struggle for answers, the questions mount. Why them? What could they have in common? Are aliens behind it? Is one of them privy to more information than they are letting on? Most importantly . . . What can they do to survive? Because it soon becomes clear that someone or something is stalking them, relentlessly trimming their numbers one by one. An unseen enemy that demands to know the truth. Even if it kills them. A diabolical inquisition into the human condition, this wicked little entry in the bestselling Invasion Universe will keep you on the edge of your seat!

Equal parts heartbreaking, funny, and life-affirming, this is a story about love after the most profound loss, for fans of Jesse Andrews, Rainbow Rowell, and Jennifer Niven. "Required reading." --John Corey Whaley, winner of the Printz Award Seventeen-year-old Tess Fowler has dropped out of high school, tossed her laptop in a freezing lake, then jumped in after it fully clothed. Why? Because Jonah was the boy she knew only through texts and emails but understood to his very core. Jonah was the only boy she'd told she loved and the only boy to say it back. And Jonah was the boy whose suicide she never saw coming. Jonah's death has sent Tess pinwheeling into grief and confusion. But even though he's gone, Tess still writes to him. She wants answers to the yawning chasm of questions that's become her life. At the same time, she's trying to find solace in her father's alternative funeral business. Who knew that arranging last rites for prized pets could be so life-affirming? But love, loss, and life are so much more complicated than Tess ever thought . . . especially after she receives a message that turns her already inside-out world totally upside down. As funny as it is heartbreaking and completely unputdownable, Things I'm Seeing Without You shows us what it means to love someone, to lose someone, to wade through the beautiful/strange agony of the aftermath, and somehow love again. "Sometimes hilarious, always affecting." --VOYA "Nails the messiness of grief." --SLJ "Compelling . . . a draw for fans of Nicola Yoon." --BCCB

When life loses its meaning, when suddenly the world is turned upside down, when there's nothing left that resembles life as we've known it, where do we find the strength and sustenance to go on?

For naval aviator Jerry Coffee and others who were held as prisoners of war in North Vietnam, there was only one choice: to go within.

*Beyond Survival* is a journey into the invincible human spirit that unites heart and mind in a compelling and unforgettable experience. Drawing from his seven years as a POW, Captain Coffee provides timeless lessons that apply to the physical, emotional, and ethical challenges of everyday life. Proving that leadership and creativity are possible in difficult and uncertain circumstances, Captain Coffee offers a message we can draw on in any trying situation. His story demonstrates that conviction must come from within, and in telling that story he touches the place inside of us where growth begins.

*Beyond Survival* is a positive statement about love and commitment in the midst of war and division. It contrasts the cold reality of war, degradation, and torture with the warmth of human connections, inner serenity, and kinship with all of life. It poignantly illustrates that to be stripped of everything that is familiar and by which we identify ourselves leaves us with only what unites us - our human identity. It conveys truths about relationships at every level - with ourselves, with others, with our country, and with our God.

Without inflaming the wounds inflicted by America's involvement in Vietnam, *Beyond Survival* explores an issue at the heart of every free society: the willingness of ordinary individuals to maintain a passion for freedom so compelling that adversity strengthens rather than weakens personal resolve in the worst of circumstances. Through Gerald Coffee's story you will discover the universal principles of survival and triumph that empower anyone to overcome adversity.

He's decided to take dating and courtship more seriously, decided that maybe he should get married, as everyone's been telling him for years. Now he had to convince Cilla that she's the wife for him! Imagine the River Tiber as an alimentary tract. Picture a hungry saint. Think of erotic Renaissance fruit paintings, transubstantiation and a tiramisu café where magic issurelyon the menu This highly original interpretation of Rome's history, culture, art and religion takes the form of a book about food that's not really about food at all. During his first two years in Rome, David Winner found himself in turn amazed and overwhelmed by its physical, historical and cultural vastness. Then a chance encounter with an extraordinary pudding provided him with the means to start digesting his surroundings. That evening he was struck by the significance of the Roman attitude to food: a unique and unequivocal relationship between sustenance and existence, where every last aspect of life is (and always has been) 'pickled in almentation'. In Al DenteWinner takes us on a stroll through the city as he muses idiosyncratically on all things comestible and much else besides. Here we learn about Rome as metropolis and necropolis, about tasty vineyard snails and the food-and-sex scandal that sent Saint Jerome packing. The cinematic greats such as Argento, Fellini and Ferreri are discussed alongside historical political satire where grocery orgies were art and the penis was the subject of hagiographies. There are the bloodthirsty antics of an eighteenth-century executioner who worked for the pope, stories of immolation, architecture and artichokes, and a telephone interview with a nun who makes Eucharistic wafers. There's also a nice 1891 recipe for stewed lamb's head. Winner is a master of wit and diversity with a seemingly insatiable appetite for peculiar detail and disturbances on the cultural landscape. In Eat, Don't Eat his ability to explore the world around him as a series of interconnections provides an intriguing new portrait of a remarkable city - a veritable trifle of Roman bedrock and apogee, cosmos and counterculture to be devoured with gusto. Buon appetito

In this beautifully crafted book, Elizabeth Kendall tells the story of a family, of a passionate attachment between a mother and a daughter and the sudden tragedy that tears it apart. American Daughter is also a brilliant portrait of wellborn women's lives in cities and towns in the post-World War II era, as Kendall evokes how difficult it was to become anything other than an American daughter, which meant being a dependent woman. Occupying a coveted place in St. Louis's privileged high society, Henry and Betty Kendall seemed to be the American dream come true: six children, a sprawling house, a legacy of higher education at Harvard and Vassar. Yet underneath lay the flawed marriage of an idealistic young woman who made her eldest daughter her best friend and turned civil rights into her salvation. Elizabeth maintained the family silence as eccentricities began to appear in her father's behavior, along with whispers of financial difficulties. She accompanied her mother back to Vassar for a summer program on the home and family, then came into her own, away from her family, at the haven of a girls' summer camp and at Radcliffe. From the war-torn 1940s, when young men in uniform, home on leave, went to debutante parties, through the seismic social changes of the 1960s, Kendall tells the intertwined story of her mother and herself, of their powerful bond and how both shaped their lives in response to it. Unrelentingly honest, rich with humor and insights into families and women's lives, American Daughter is both a poignant portrait of American life at the middle of the twentieth century, and a dual coming-of-age story of a mother and a daughter, united by commitment and love, separated by a fatal accident-and by the vastly different birthrights of their generations.

Schilderes Elaine Risley, een vrouw van achter in de veertig, keert terug naar Toronto, een stad die ze vele jaren geleden ontvlucht is in de hoop alle herinneringen aan haar vroegere leven achter haar te laten: haar schooltijd vlak na de Tweede Wereldoorlog, haar puberteit in de jaren vijftig, het avant-gardekunstwereldje van de jaren zestig en het feminisme van de vroege jaren zeventig. Wanneer ze nu door de straten van de stad wandelt, die niet langer sober en armoedig zijn, laat Elaine haar verleden de revue passeren: haar onconventionele familie, haar excentrieke en briljante broer, de intolerante en gevaarlijke Mrs. Smeath, en de twee mannen die Elaine later op soms rampzalige wijze zou gaan liefhebben. En pas dan zal zij goed begrijpen welke rol de raadselachtige Cordelia in haar leven speelt. Elaine moet haar eigen identiteit als dochter, geliefde, kunstenaress en vrouw leren accepteren - maar bovenal moet ze zien te ontsnappen aan haar beklemmende herinneringen. Kattenog is een echte Atwood: geestig, meeslepend, verontrustend en heel scherp. Margaret Atwood (Ottawa, 1939) wordt beschouwd als de 'grote dame' van de Canadese literatuur. Ze woont en werkt in Toronto en vervierf de afgelopen halve eeuw een miljoenenpubliek met haar boeken, die in 45 landen worden uitgegeven. Het verhaal van de Dienstmaagd werd bewerkt tot een uiterst populaire bekronde televisieserie. Ruim dertig jaar later kreeg de klassieker een vervolg: De testamenten werd direct een wereldwijde bestseller en werd bekroond met de Booker Prize. 'Een van Atwoods absoluut beste.'
