writers of all genres, John McNally's guide is a comprehensive, take-no-prisoners blunt, highly idiosyncratic, and delightfully subjective take on the writing life. McNally has earned the right to dispense advice on this subject. He has published three novels, two collections of short fiction, and hundreds of individual stories and essays. He has edited six anthologies and worked with editors at university presses, commercial houses, and small presses. He has earned three degrees, including an MFA from the Iowa Writers' Workshop, and taught writing to thousands of students at nine different universities. But he has received far more rejections than acceptances, has endured years of underpaid adjunct work, and is presently hard at work on a novel for which he has no guarantee of publication. In other words, he's been at the writing game long enough to rack up plenty of the highs and lows that translate into an invaluable guide for anyone who wants to become a writer or anyone who is already a writer but doesn't know how to take the next step toward the writing life. In the sections The Decision to Become a Writer, Education and the Writer, Getting Published, Publicity, Employment for Writers, and The Writer's Life, McNally wrestles with writing degrees and graduate programs, the nuts and bolts of agents and query letters and critics, book signings and other ways to promote your book, alcohol and other home remedies, and jobs for writers from adjunct to tenure-track. Chapters such as "What Have You Ever Done That's Worth Writing About?" "Can Writing Be Taught?" "Rejection: Putting It in Perspective," "Writing as a Competitive Sport," "Seven Types of MLA Interview Committees," "Money and the Writer," and the all-important "Talking about Writing vs. Writing" cover a vast range of writerly topics from learning your craft to making a living at it. McNally acts as the writer's friendly drill sergeant, relentlessly honest but bracingly cheerful as he issues his curmudgeonly marching orders. Alternately cranky and philosophical, full of to-the-point anecdotes and honest advice instead of wonkish

Facts and figures, *The Creative Writer's Survival Guide* is a snarky, truthful, and immensely helpful map to being a writer in today's complex world.

Creative Writing in the Community is the firstbook to focus on the practical side of creative writing. Connecting classroomexperiences to community-based projects, it prepares creative writing studentsfor teaching in schools, homeless centres, youth clubs and care homes. Each chapteris packed with easy-to-use resources including: specific lesson plans; case studies of students working with community groups; lists of suitable writing examples; "how to" sections; examples and theoretical applications of creative writing pedagogy and techniques; reflection questions; writings by workshop participants. Enhanced by contributions from directors, students and teachers at successful public programs, *Creative Writing in the Community* is more than an essential guidefor students on creative writing courses and leaders of community-basedlearning programs; it is practical demonstration of the value of art insociety.

"These are enormously arresting, odd, wryly humorous, gripping poems. And the variety of subject matter is astounding. I don't know when I've enjoyed reading a book so much."—David Budbill

An engaging and authoritative introduction to an increasingly important and popular literary genre *Prose Poetry* is the first book of its kind—an engaging and authoritative introduction to the history, development, and features of English-language prose poetry, an increasingly important and popular literary form that is still too little understood and appreciated. Poets and scholars Paul Hetherington and Cassandra Atherton introduce prose poetry's key characteristics, chart its

evolution from the nineteenth century to the present, and discuss many historical and contemporary prose poems that both demonstrate their great diversity around the Anglophone world and show why they represent some of today's most inventive writing. A prose poem looks like prose but reads like poetry: it lacks the line breaks of other poetic forms but employs poetic techniques, such as internal rhyme, repetition, and compression. Prose Poetry explains how this form opens new spaces for writers to create riveting works that reshape the resources of prose while redefining the poetic. Discussing prose poetry's precursors, including William Wordsworth and Walt Whitman, and prose poets such as Charles Simic, Russell Edson, Lydia Davis, and Claudia Rankine, the book pays equal attention to male and female prose poets, documenting women's essential but frequently unacknowledged contributions to the genre. Revealing how prose poetry tests boundaries and challenges conventions to open up new imaginative vistas, this is an essential book for all readers, students, teachers, and writers of prose poetry.

• Thoughtful exploration of midlife spirituality through the prism of nature walks • Study questions for each section Roger Owens, facing a “dark night of the soul” as he turned forty and entered midlife, was encouraged by his spiritual director to think of it instead as a “threshold of discovery.” Rather than go on a grand adventure like walking the Appalachian Trail or the Camino de Santiago, he decided to mark his fortieth year by taking forty walks in a nearby nature preserve. With patience and attention, he explored the concerns rising within him: the inevitability of death, his boredom with life, and the reality of his changing faith, changing images of God, and changing sense of self. The result is forty short chapters that weave together insightful stories of his walks with accessible history and practices of Christian spirituality and the lives of saints. This field guide to the spirituality of midlife facilitates readers’ personal journeys through questions of faith, purpose, and relationships. It is not solely a memoir, but a work of wisdom literature that uses engaging first-person narratives to explore universal themes and spiritual inquiry. Wise and imaginative, and with study questions for each section, Threshold of Discovery is the companion guide for a thoughtful Christian journey.

Fiction. LGBT Studies. The voice narrating Carol Guess's newest book is that of a playfully effusive but meticulous cataloguer of our darker inquiries and oddities, a suburban former dancer with the inner life and vision of an epic librettist. DARLING ENDANGERED is nothing short of exceptional, a rare breed of hybrid that works between the "flash" of short fiction and the swift bite of the lyric. From the dizzying, battered nostalgia of youth remembered to the experiential trappings of maturity, Guess's collection maps the journey of a singular, sensitive existence through an ever-illuminating world of wayward hawks and track star meth addicts, avalanches and hot dog carts, zombie buildings, the works of Balanchine and Pachelbel, and the promises of love and love's disorders. You will not read another book quite like it.

Poetry. Literary Criticism. A wide-ranging gathering of 34 brief essays and 66 prose poems by distinguished practitioners, THE ROSE METAL PRESS FIELD GUIDE TO PROSE POETRY is as personal and provocative, accessible and idiosyncratic as the genre itself. The essayists discuss their craft, influences, and experiences, all while pondering larger questions: What is prose poetry? Why write prose poems? With its pioneering introduction, this collection provides a history of the development of the prose poem up to its current widespread appeal. Half critical study and half anthology, THE FIELD GUIDE TO PROSE POETRY is a not-to-be-missed companion for readers and writers of poetry, as well as students and teachers of creative writing.

Marion Poschmann – De pijnboomeilanden In De pijnboomeilanden, genomineerd voor de Deutscher Buchpreis 2017, combineert Marion Poschmann lichtvoetigheid met filosofische diepgang, het westerse materialisme met het oosterse shintoïsme. Wanneer universitair docent cultuurgeschiedenis Gilbert Silvester droomt dat zijn vrouw hem bedriegt, besluit hij in een opwelling het eerstvolgende vliegtuig te nemen; om afstand te nemen en zijn huwelijk te overdenken. De vlucht voert Gilbert naar Japan, waar hij het reisverslag van de klassieke dichter Basho in handen krijgt. Het geeft hem een doel: net zoals de vijftiende-eeuwse rondtrekkende monnik wil hij de maan boven de Pijnboomeilanden zien. Deze pelgrimstocht biedt hem de mogelijkheid om zich te verliezen in de natuur en zijn innerlijke onrust achter zich te laten. Maar nog voor hij begint, ontmoet Gilbert een jonge student, Yosa, die met heel andere reisliteratuur onderweg is: Het complete handboek voor zelfmoord. ‘Een meesterwerk!’ – Die Zeit

Telling Stories is intended for anyone interested in thinking more about the elements of storytelling in short stories, novels, and memoirs. Martin clearly delineates helpful and practical techniques for demystifying the writing process and provides tools for perfecting the art of the scene, characterization, detail, point of view, language, and revision--in short, the art of writing. His discussion of the craft in his own life draws from experiences, memories, and stories to provide a more personal perspective on the elements of writing. Martin provides encouragement by sharing what he's learned from his journey through frustrations, challenges, and successes. Most important, Telling Stories emphasizes that you are not alone on this journey and that writers must remain focused on what they love: the process of moving words on the page. By focusing on that purpose, Martin contends, the journey will always take you where you're meant to go."--

In Zeven vette jaren doet Etgar Keret op tragikomische wijze verslag van zeven jaren van zijn persoonlijk leven, die samenvallen met de eerste levensjaren van zijn zoon Lev. De Israëlische samenleving is in ieder verhaal voelbaar: of het nu gaat om zijn ouders, die de Holocaust hebben overleefd; zijn zus, die met haar elf kinderen in de meest orthodoxe buurt van Jeruzalem woont; of om zijn door hem verafgode broer, die pleit voor de legalisering van softdrugs en een volleerd olifantenfluisteraar blijkt te zijn. Met deze verhalen op het kruispunt van journalistiek, autobiografie en fictie, slaagt Keret erin om via de microkosmos van zijn eigen leven een indringend, ontroerend en toch humorvol beeld te geven van het huidige Israël. Etgar Keret is een van de belangrijkste hedendaagse Israëlische schrijvers. Zijn boeken verschijnen in vierendertig landen en hij publiceert onder andere in Le Monde en The New York

Wat heeft God te maken met post van een overleden moeder, Kafka die vegetariër is geworden en honden die hun penning verliezen? Deze zeer korte verhalen zijn een verkenningstocht van onze dagelijkse interactie met God. Williams' personages komen God op de meest onverwachte plaatsen tegen: bij een hotdogetwedstrijd, een chic gala en in de apotheek. Ook God heeft namelijk soms last van gordelroos.

Transversing the territory between the pastoral and the elegiac, F. Daniel Rzicznek's *Settlers* inhabits the hidden, wild places of the American Midwestern landscape. The idea of "settling"—that a landscape can be tamed, that a human consciousness can fall back into immobility—is one these poems grapple with and resist, all the while charting the cathartic effects of the natural world on a collective imagination dually wounded by the madness of the post-industrial era and the multiplication of tragedy via media saturation. Within the "settled" landscape, it becomes clear that nothing, in fact, can be settled. Love, compassion, forgiveness, and transcendence all turn out to be moving targets and *Settlers* offers glimpse after glimpse of an unstable world in whirling, mesmerizing motion. Where the exterior landscape of weather, light and water skirts the interior wilderness of dream, vision, and prayer, these poems go out walking with their feet in the marsh and their hats in the infinite clouds, hoping to find what exactly it means to be human in a world imperiled by humans, and the all the fascinating and frustrating complexities contained therein.

The poems in Sand Theory, William Olsen's fifth collection to date, bristle with intellect, sensitivity, and ambition. Engaging poets from William Blake to Theodore Roethke, Olsen takes aim at grand questions of spirituality, the instability of meaning, and the individual's relationship with the natural world. Yet Olsen's lithe and sinuous poems wear their metaphysical concerns lightly, shifting easily between the immediate perceptions of a passing moment and observations offered as if from a great distance, outside of time and space. The energy of Olsen's poems is generated by his ability to meld the intellectual and the emotional, the abstract and the concrete, into a seamless whole while maintaining a sense of wit and playfulness. Sand Theory cements Olsen's standing as one of the most vital poets writing today, an audacious chronicler of "the supremely open moment."

A new collection of very short stories selected by Flash Fiction editor James Thomas and Robert Scotellaro. All of the stories in this book are exceptionally short, revealing themselves in no more than 300 words. With a foreword by Robert Shapard and an afterword by Christopher Merrill, this book brings you fresh approaches to an exacting form that demands precision, a species of brevity that is surprisingly expansive. Writers say the pieces are hard to compose, but readers say they are easy to appreciate, a pleasure to envision, a wonder to watch life spun out and painted in small places. Real and surreal, lyrical and prosaic, here are 135 stories by 89 authors, certain to make you think.

Poetics of Social Engagement emphasizes the ways in which innovative American poets have blended art and social awareness, focusing on aesthetic experiments and investigations of ethnic, racial, gender, and class subjectivities. Rather than consider poetry as a thing apart, or as a tool for asserting identity, this volume’s poets create sites, forms, and modes for entering the public sphere, contesting injustices, and reimagining the contemporary. Like the earlier anthologies in this series, this volume includes generous selections of poetry as well as illuminating poetics statements and incisive essays. This unique organization makes these books invaluable teaching tools. A companion website will present audio of each poet’s work. With its corn by the acre, beef on the hoof, Quaker Oats, and Kraft Mac n' Cheese, the Midwest eats pretty well and feeds the nation on the side. But there's more to the midwestern kitchen and palate than the farm food and sizable portions the region is best known for beyond its borders. It is to these heartland specialties, from the heartwarming to the downright weird, that *Fried Walleye and Cherry Pie* invites the reader. The volume brings to the table an illustrious gathering of thirty midwestern writers with something to say about the gustatory pleasures and peculiarities of the region. In a meditation on comfort food, Elizabeth Berg recalls her aunt's meatloaf. Stuart Dybek takes us on a school field trip to a slaughtering house, while Peter Sagal grapples with the ethics of paté. Parsing Cincinnati five-way chili, Robert Olmstead digresses into questions of Aztec culture. Harry Mark Petrakis reflects on owning a South Side Chicago lunchroom, while Bonnie Jo Campbell nurses a sweet tooth through a fudge recipe in the *Joy of Cooking* and Lorna Landvik nibbles her way through the Minnesota State Fair. These are just a sampling of what makes *Fried Walleye and Cherry Pie*--with its generous helpings of laughter, culinary confession, and information--an irresistible literary feast.

Book underscores the importance of learning good writing habits before committing to a genre, encouraging writers to look beyond their genre expectations and learn from other forms. The book then devotes one chapter to each of the major literary genres: fiction, poetry, drama and creative nonfiction. These style-specific sections provide depth as they compare the different genres, furnishing students with a comprehensive understanding of creative writing as a discipline and fostering creativity. The discussion concludes with a chapter on digital media and an appendix on literary citizenship and publishing. With exercises at the end of each chapter, a glossary of literary terms, and a list of resources for further study, *A Writer's Craft* is the ideal companion to an introductory creative writing class. It has been listed as one of the 'Best Books for Writers' by *Poets and Writers* magazine.

Rigoberto González, author of the critically acclaimed memoir *Butterfly Boy: Memories of a Chicano Mariposa*, takes a second piercing look at his past through a startling new lens: hunger. The need for sustenance originating in childhood poverty, the adolescent emotional need for solace and comfort, the adult desire for a larger world, another lover, a different body—all are explored by González in a series of heartbreaking and poetic vignettes. Each vignette is a defining moment of self-awareness, every moment an important step in a lifelong journey toward clarity, knowledge, and the nourishment that comes in various forms—even "the smallest biggest joys" help piece together a complex portrait of a gay man of color who at last defines himself by what he learns, not by what he yearns for. Bill Whitehead Award for Lifetime Literary Achievement, Publishing Triangle "Told in a series of revealing vignettes and poems, González's *Autobiography of my Hungers* turns moments of need and want into revelations of truth and self-awareness, creating the portrait of an artist that is complex if not entirely complete."—*El Paso Times* "Through his

This collection of more than twenty-five essays, both meditative and formally inventive, considers all kinds of subjects: everyday objects such as keys and hats, plus concepts of time and place; the memoir; writing; the essay itself; and Michael Martone’s friendship with the writers David Foster Wallace, Jonathan Franzen, and Kurt Vonnegut. Throughout the essays, Martone’s style expands with the incorporation of new technological platforms. Several of the pieces were written specifically for

online venues, while the essays on the death of Martone's mother and father were written on Facebook while the events happened. One essay about using new technologies in the classroom was written solely in tweets. Brooding—the book's title and the title of an essay—draws a parallel between the disappearance of early browsers and the emergence, after seventeen years, of a brood of cicadas. Throughout these essays Martone's words inhabit spaces where the reconnection to people in the past and the metaphors of electronic memory converge.

Op een middag in de nazomer had ze het gezien terwijl ze langs een afgelegen flatgebouw liep. Op de tweede verdieping was een vrouw bezig de was op te hangen, aan een rek buiten het balkon. Er ontsnapte haar een pluk wasgoed. Eén zakdoek zweefde omlaag, het langzaamst van alles, en belandde uiteindelijk op de grond. Als een vogel met half ingevouwen vleugels. Als een ziel die behoedzaam een plek zocht om neer te strijken. Terwijl de verteller met een schrijversbeurs in Warschau verblijft, een besneeuwde stad vol tastbare littekens van het geweld uit het verleden, wordt ze achtervolgd door het verhaal van haar oudere zus, die slechts twee uur na haar geboorte overleed. Een gefragmenteerde verkenning van witte dingen is het resultaat – de bakerdoeken, die ook haar doodskleed waren, de melk uit haar moeders borsten die ze niet meer dronk, de blanco pagina waarop de verteller tevergeefs probeert het verhaal te reconstrueren – alles ontvouwt zich in een krachtig, poëtisch distillaat. Wit is een boek als geen ander. Het zijn gedachten over een kleur, over de kracht en de kwetsbaarheid van de menselijke geest, en pogingen om nieuw leven te vinden in de as van vernietiging.
