For years, Todd Snider has been one of the most beloved country-folk singers in the United States, compared to Bob Dylan, Tom Petty, John Prine, and dozens of others. He's become not only a new-century Dylan but a modern-day Will Rogers, an everyman whose intelligence, self-deprecation, experience, and sense of humor make him a uniquely American character. In live performance, Snider's monologues are cheered as much as his songs. But never before has he told the whole story. Running the gamut from personal memoir to shaggy-dog comedy to rueful memories of his troubles and triumphs with drugs and alcohol to sharp-eyed observations from years on the road, *I Never Met a Story I Didn't Like* is for fans of Snider's music, but also for fans of America itself: the broad, wild country that has produced figures of folk wisdom like Will Rogers, Mark Twain, Ambrose Bierce, Tonya Harding, Garrison Keillor, and more. There are storytellers and there are performers and there are stand-up comedians. And then there's Todd Snider, who is all three in one, and something else entirely.

"Judilee Bennyhoff spent her childhood and teenage years living above a funeral home. She painted this miniature picture of the funeral home. Growing up with such grief and sadness gave her an enthusiasm and zest for life. Judilee was a model and worked at a famous psychiatric clinic in New York City. She then became an interior designer and artist on the Main Line of Philadelphia where she still lives in Strafford, Pennsylvania with her husband (me). These are her stories. You will laugh out loud or, at times, reach for a tissue. You will LOVE the read and you will get to love Judilee as I do!" George R. Bennyhoff Front cover design and illustration by Elizabeth Traynor. (Lizzie is the author's wonderful niece.)

**People are criticizing online dating like crazy but dating websites don't tell you that. For a lot of people, it's a big waste of money and time. For a lot of women, it's like fake flattery. A new female joins a dating website. All of a sudden, she's got 100 e-mails from guys interested in her but she doesn't know that these guys do this to every new female member. She thinks they're interested in her because of what she said in her profile and how she looks. Let's say she goes on 50 dates. Forty eight will be frogs or no match. The guy she feels comfortable with might live three thousand miles away. It's not just that. It's the myth that if you post a profile up, love is just around the corner. You still gotta deal with the real world, meet someone face to face and start a real relationship. There's another thing too. Your profile is up there for anyone to steal and put on youtube or to go public with**

it if you become a politician or famous in some way.

**The Impossible Imperative** brings to life the daily efforts of child welfare professionals working on behalf of vulnerable children and families. Stories that highlight the work, written by child welfare staff on the front lines, speak to the competing principles that shape everyday decisions. The book shows that, rather than being a simple task of protecting children, the field of child welfare is shaped by a series of competing ideas. The text features eight principles that undergird child protection practice, all of which are typically in conflict with others. These principles guide practice and direct the course of policymaking, but when liberated from their aspirational context and placed in the real world, they are fraught with contradiction. **The Impossible Imperative** is designed to inspire a lively debate about the fundamental nature of child welfare and about the principles that serve as the foundation for the work. It can be used as a teaching tool for aspiring professionals and as motivation to those looking to social work to make a difference in the world.

Prayer is mind-boggling. Find out how it delivered two boys from a pit, caused a stolen car to stall, taught a woman to read, delivered a snorkeling missionary from a mad shark, led a strange black dog to deliver a lost purse, healed a crushed cat, led a lad to the right trombone and a lass to the right horse, helped a young man to find his glasses on the bottom of Lake Michigan, unlocked a locked door, provided electricity in a power outage, kept a family from starving, and brought a whole carload of mechanics to start a stalled car. This book will leave you with a whole carload of faith.

### [Something about the Author](#)

Stephen King said, "Writing is an act of self-hypnosis, and in that state a kind of total emotional recall takes place." THE DREAM STEALERS started out to be a long letter to my children, but as I got into the writing it evolved into a novel. I was able to relive all the sweet and bitter years of a half century ago. From the beautiful women, the club singing, the Navy camaraderie, and even the months I spent in a Naval hospital. As I delved into the writing, I could recall events and word for word conversations that I'd long ago forgotten. And then in my later years re-experiencing the preciousness of my first true love and the hurt of living the adage, "History tends to repeat itself." However, another adage applies: "Better to have loved and lost than to have never loved." "let's just be glad we had some time to spend together" {For The Good Times}

Lieutenant Randy Sutton's fascinating collection of stories and memories, solicited from law enforcement officers across the country, offers a broad and insightful look at the many facets of police life: courage, exhilaration, frustration, loss, and even humor, from the everyday to the career-defining moments on the job. Told by the cops that lived them, these stories show what it truly means to protect and serve. Readers will come to recognize the faces behind the badge, as they witness officers charge into the unknown on The Beat, honor and mourn friends in The Fallen, hear the War Stories spread in police locker rooms and bars, discover the unbreakable line between civilian and cop in the Line of Duty, and feel the blood-boiling adrenaline during those life-altering moments when a cop must use Deadly Force. TRUE BLUE: To Protect and Serve is a funny, exciting, haunting compilation of true stories written by active and retired police officers, most of whom have never written before, alongside published officers from all over the United States. A portion of the royalties for this book will be donated to The National Law Enforcement Officers Memorial Fund.

## [Through Indigenous Eyes](#)

I am not an author, but I've kept a journal for most of my life. When I was in my teen years, I wrote in my journal but also wished I could know the thoughts and read the journal of another teenager. I thought I was the only one feeling what I was feeling. My first intention with this book is to provide my diaries as a written display that the stages one goes through as a teenager, while unique, are also relatable. My second intention is self-serving. I put this project together to better understand myself, and I would encourage others to do the same. You may now come on the journey of my life, starting with my early adolescence. Follow me as I change my desired occupation more times than I can count, get harassed for my sexual experimentation, search for God, and experience many other hills and valleys along my pathway. This book is about one-quarter of my journal. I took out what I thought was repetitive or, rather, me just blabbering on and certain secrets about people that I wouldn't want revealed. I also combined some entries to avoid repetition, and all of the names in this book are fictitious. Other than that, everything is real and raw. Because of these journals, I clearly remember being a teenager. I felt alone even though there were people all around me. I felt completely misunderstood. I constantly felt betrayed. I felt awkwardly sexual. And I felt full of a slight rage I couldn't understand. I felt I had a lot to say, with thousands of questions that no one cared to answer. I wish someone had told me that it would get easier. Everyone told me life gets tougher with responsibilities. I believe that people don't truly remember what it was like to be a teenager. Life is more stressful now, but do people truly remember what it was like to feel as powerless as they did when they were teenagers? I remember. It's hard not to with my journals. I am now in my midtwenties and going back through my life to try

and learn more about myself. This book presents my journey thus far.

'Wat een prachtig boek. Het knappe van McCarthy is dat hij veel dreiging tussen de regels door laat voelen []. Boven alles heeft De weg een geweldige stijl, pakkende personages en genoeg materiaal om een avond lang over te praten.' - Ionica Smeets in de Volkskrant Nadat er een gloeiende vuurzee over het land is geraasd, doorkruisen een man en zijn zoontje het doodse Amerikaanse landschap. In deze met as bedekte, vergane wereld volgen zij de weg naar het zuiden. Het enige wat hen rest is te overleven in de snijdende kou, zonder elkaar te verliezen. Ze zijn alles voor elkaar. De weg is een bespiegeling over de dunne scheidslijn tussen beschaving en woestenij, en over de alomvattende en soms beangstigende liefde die een kind voor zijn ouders voelt. Een ijzingwekkend meesterwerk.
